

Kerly Vanessa Sarrias Rojas

Fullstack Web Developer

+57 3143046748 | kerlysarrias011@gmail.com | [LinkedIn](#) | [Portfolio](#)
Bogotá D.C, Colombia

Fullstack web developer with experience in JavaScript and Java, specialized in dynamic and scalable applications. Proficient in technologies such as React, Node.js, TypeScript, and SQL/NoSQL databases. Passionate about creating intuitive solutions with a strong focus on user experience, interface optimization, and continuous improvement. I stand out for my teamwork, effective communication, adaptability, critical thinking, and problem-solving skills, bringing value to innovative projects with a proactive attitude and professional commitment.

EDUCATION

Generation Program, Bogotá, Colombia
Junior Fullstack Developer

March 2025 - Present

Corporación Universitaria Iberoamericana, Bogotá, Colombia
Software Engineering

January 2024 - Present

WORK EXPERIENCE

Goblin, Remote
Desarrolladora Front End

December 2023 - March 2024

- I designed and developed a landing page with React and Next.js, integrated payments with Mercado Pago, and created a custom WordPress blog to facilitate content management.

Alma del Huila, Garzón Huila
Production Assistant

April 2023 - April 2024

- I led work teams and coordinated production logistics in the specialty coffee area, managing continuous improvement projects, quality analysis and process optimization, within a collaborative and results-oriented environment.

PROJECTS

Gallery Project (Independent)

January 2025

- I developed Gallery, an interactive web application for browsing images and videos by category, with expanded view and auto-sliding mode. I worked with React, Redux Toolkit, REST API, and Tailwind CSS, focusing on a fluid user experience and modern design.
