EXPERIENCE

Frontend Developer Jr

Goblin

Dic 2023 - Mar 2024

- Creation of landing pages and user interfaces using React and Next.js.
- Integration with the Mercado Pago API to accept card payments.
- Creation of a blog using WordPress.

Agroindustrial engineering

Alma de Huila

2023- 2024

- I completed the professional internship for 6 months and worked the following 6 months in the company's natural coffee processing area. I led a group of workers in the area, with whom I developed teamwork strategies and learned about the importance of effective communication.
